

Bodegas Solar de Samaniego

Elciego Errepidea, 01300, Araba

The Samaniego Solar Group began to write its history back in 1972 at the foot of the medieval town of Laguardia, in the heart of the Rioja Alavesa, an emblematic subregion of the D.O.Ca. Rioja. Throughout all these years, its wines are a faithful reflection of the mixture of tradition and avant-garde, which is why almost 10 years ago they completely renovated the production and aging areas and added concrete tanks so that their wines have a much more contemporary look.
