

Craft Barcelona

Paradis 4 Plaça Sant Jaume, 08002 Barcelona
41.383132, 2.177017

We loved Craft Barcelona so much we visited four times! We sampled many beers and tapas. On one visit, we were invited by the owner to listen to some flamenco and gypsy music by a local performer. It was wonderful. Many times, the owner would come over and explain the music. Their focus on locally crafted beers makes this place a must have to get into the local brew scene.
